Advanced Public Finance and Fiscal Policy Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Advanced Public Finance and Fiscal Policy Training Course is designed to equip participants with specialized knowledge, innovative tools, and practical strategies for effective fiscal management and sustainable economic development. With a strong focus on public financial management, fiscal reforms, macroeconomic stability, taxation systems, and budgetary frameworks, this course provides in-depth insights into how governments can mobilize revenue, optimize public expenditure, and ensure financial accountability. Participants will explore critical aspects of debt management, intergovernmental fiscal transfers, fiscal decentralization, and public-private partnerships to enhance economic growth and inclusive governance.

This program is tailored for professionals aiming to strengthen their expertise in fiscal policy design, public finance reforms, financial sustainability, and performance-based budgeting. Through real-world case studies, simulations, and interactive modules, participants will acquire practical skills for addressing challenges in public sector financing, fiscal transparency, and economic resilience. The course combines theory with applied learning, ensuring participants leave with actionable solutions that drive fiscal efficiency, accountability, and effective governance.

Advanced Public Finance and Fiscal Policy Training Course

Introduction

Advanced Public Finance and Fiscal Policy Training Course is designed to equip participants with specialized knowledge, innovative tools, and practical strategies for effective fiscal management and sustainable economic

development. With a strong focus on public financial management, fiscal reforms, macroeconomic stability, taxation systems, and budgetary frameworks, this course provides in-depth insights into how governments can mobilize revenue, optimize public expenditure, and ensure financial accountability. Participants will explore critical aspects of debt management, intergovernmental fiscal transfers, fiscal decentralization, and public-private partnerships to enhance economic growth and inclusive governance.

This program is tailored for professionals aiming to strengthen their expertise in fiscal policy design, public finance reforms, financial sustainability, and performance-based budgeting. Through real-world case studies, simulations, and interactive modules, participants will acquire practical skills for addressing challenges in public sector financing, fiscal transparency, and economic resilience. The course combines theory with applied learning, ensuring participants leave with actionable solutions that drive fiscal efficiency, accountability, and effective governance.

Course Objectives

1. Strengthen expertise in public financial management (PFM) systems.
2. Analyze macroeconomic stability and fiscal policy frameworks.
3. Develop strategies for public expenditure efficiency and transparency.
4. Explore domestic revenue mobilization and taxation reforms.
5. Enhance skills in budget planning and performance-based budgeting.
6. Examine fiscal decentralization and intergovernmental fiscal transfers.
7. Understand debt sustainability and public debt management.
8. Apply best practices in fiscal governance and anti-corruption mechanisms.
9. Improve capacities in public-private partnerships (PPPs) and financing models.
10. Strengthen capacity building for fiscal institutions and policymakers.
11. Evaluate fiscal sustainability and long-term economic growth strategies.
12. Apply analytical tools for fiscal forecasting and risk management.
13. Promote inclusive governance and citizen participation in fiscal policy.

Target Audience

1. Public finance managers and treasury officials.
2. Policy makers and government advisors.
3. Economists and macroeconomic planners.
4. Budget officers and expenditure analysts.
5. Revenue authorities and taxation experts.
6. Governance and accountability institutions.
7. Development partners and donor agency staff.
8. Financial auditors and oversight bodies.

Course Duration: 5 days
