Building Trust among Low-Income Clients Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Building trust with low-income clients is critical for promoting financial inclusion, long-term client relationships, and sustainable economic development. Trust drives adoption of financial services, increases client engagement, and supports responsible use of credit, savings, and digital financial tools. Building Trust among Low-Income Clients Training Course equips participants with practical strategies, behavioral insights, and relationship-building techniques to foster confidence, credibility, and transparency in financial interactions with marginalized and underserved populations.

The course combines theoretical frameworks, case studies, and practical exercises to help financial institutions, microfinance organizations, and community programs strengthen client relationships. Participants will learn approaches to understand client needs, address barriers, manage communication effectively, and design trust-building initiatives that improve satisfaction, loyalty, and financial empowerment.

Programme Curriculum

Building Trust among Low-Income Clients Training Course

Introduction

Building trust with low-income clients is critical for promoting financial inclusion, long-term client relationships, and sustainable economic development. Trust drives adoption of financial services, increases client engagement, and supports responsible use of credit, savings, and digital financial tools. Building Trust among Low-Income Clients Training Course equips participants with practical strategies, behavioral insights, and relationship-building techniques to foster confidence, credibility, and transparency in financial interactions with marginalized and underserved populations.

The course combines theoretical frameworks, case studies, and practical exercises to help financial institutions, microfinance organizations, and community programs strengthen client relationships. Participants will learn approaches to understand client needs, address barriers, manage communication effectively, and design trust-building initiatives that improve satisfaction, loyalty, and financial empowerment.
