Career Pathways in Monitoring & Evaluation M&E Training Course

Professional Development Training Course Outline

Category	Monitoring and Evaluation	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Monitoring and Evaluation (M&E) has evolved into a strategic, high-demand career pathway across development, humanitarian, government, and private-sector organizations. As evidence-based decision-making, results-based management (RBM), adaptive learning, and accountability gain prominence, skilled M&E professionals are increasingly sought to drive impact, transparency, and organizational learning. Career Pathways in Monitoring & Evaluation M&E Training Course is designed to demystify M&E career trajectories while aligning individual competencies with global M&E standards, donor expectations, and emerging evaluation trends.

The training provides a practical, career-oriented roadmap for aspiring and practicing M&E professionals. Participants will explore M&E roles, competency frameworks, technical and soft skills, certification pathways, and career progression strategies. Through real-world case studies, hands-on exercises, and mentoring insights, learners will gain clarity on how to position themselves competitively in national and international M&E job markets.
