Client Relationship Management in MFIs Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Client Relationship Management (CRM) in Microfinance Institutions (MFIs) is essential for enhancing customer satisfaction, retention, and overall organizational performance. Effective CRM strategies help MFIs understand client needs, streamline communication, optimize service delivery, and build long-term trust with borrowers. Client Relationship Management in MFIs Training Course equips participants with modern CRM tools, relationship-building strategies, and data-driven approaches to improve client interactions while supporting financial inclusion and portfolio growth.

The training integrates practical case studies, digital CRM solutions, and performance metrics to enable MFIs to implement client-centric strategies successfully. Participants will learn how to leverage customer analytics, manage client feedback, optimize service channels, and strengthen loyalty programs. Emphasis is placed on emerging trends such as mobile client management, CRM automation, and personalized financial solutions to ensure enhanced engagement and sustainable growth.
