Commercial Lending for Banks Training Course

Professional Development Training Course Outline

Category	Banking Institute	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

In today’s highly competitive and digitally transforming banking landscape, Commercial Lending has become a strategic growth driver for financial institutions seeking portfolio diversification, revenue optimization, and risk-adjusted returns. Commercial Lending for Banks Training Course is designed to equip banking professionals with advanced knowledge and practical skills in credit risk management, loan structuring, SME financing, corporate lending, and regulatory compliance. Participants will gain deep insights into end-to-end lending lifecycle management, including borrower assessment, credit underwriting, financial analysis, and loan monitoring using modern tools and data-driven decision-making frameworks.

With increasing focus on sustainable finance, ESG lending, fintech integration, and digital credit platforms, banks must adopt agile and innovative approaches to commercial lending. This course integrates real-world case studies, emerging market trends, Basel III/IV regulatory frameworks, and AI-powered credit analytics to enhance participants’ ability to make informed lending decisions. It empowers professionals to improve credit quality, minimize non-performing loans (NPLs), and drive profitable lending growth in a dynamic financial ecosystem.
