

Employee Representation and Participation Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's rapidly evolving workplace, Employee Representation and Participation (ERP) has become a strategic pillar for organizational sustainability, workforce engagement, and industrial harmony. Organizations across sectors are embracing employee voice, workplace democracy, collective bargaining, labor-management collaboration, and inclusive decision-making to strengthen productivity, innovation, and employee wellbeing. Employee Representation and Participation Training Course equips participants with practical tools, legal frameworks, and modern engagement strategies to enhance participation mechanisms, improve communication channels, and build resilient workplace relations aligned with global labor standards and ESG priorities.

The course addresses emerging trends such as digital workforce engagement, hybrid workplace participation, psychological safety, diversity and inclusion, social dialogue, employee wellbeing, union-management partnerships, and organizational trust-building. Through practical case studies, simulations, and action-oriented learning, participants will gain the competencies needed to manage workplace representation systems effectively while fostering transparency, accountability, conflict resolution, and sustainable employee relations in modern organizations.
