Exit & Succession Tax Planning Training Course

Professional Development Training Course Outline

Category	Taxation and Revenue	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Exit & Succession Tax Planning Training Course provides participants with a comprehensive understanding of the tax implications and strategic considerations involved in business exits, ownership transfers, and succession planning. It focuses on developing tax-efficient structures that minimize liabilities during the sale, transfer, or inheritance of business assets, while maintaining full compliance with both domestic and international tax regulations. Participants will explore practical approaches to structuring buyouts, mergers, acquisitions, and estate transfers that safeguard wealth and ensure business continuity across generations.

The course also examines critical issues in family business succession, including governance, valuation, estate taxation, and capital gains management. Emphasis is placed on aligning exit strategies with broader financial, legal, and personal objectives to achieve seamless transitions. Through real-world examples and case studies, professionals will learn to design and implement integrated exit and succession plans that balance tax efficiency, wealth preservation, and long-term business sustainability in an evolving global tax environment.
