Gender and Rural Development Training Course

Professional Development Training Course Outline

Category	Gender Studies	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Gender and Rural Development Training Course emphasizes inclusive rural growth, gender equality, and empowerment strategies that promote equitable participation of women, men, and marginalized groups in sustainable rural initiatives. Participants will gain actionable insights into how gender-sensitive approaches can enhance agricultural productivity, community resilience, and socio-economic development in rural contexts.

Through this course, learners will explore innovative policies, community-driven programs, and capacity-building techniques that address structural inequalities while fostering leadership, entrepreneurship, and social transformation. Case studies from diverse rural settings will illustrate best practices and real-world solutions, equipping participants with practical tools to implement gender-responsive strategies in their professional and community roles.
