

Influencer Relations Management Training Course

Professional Development Training Course Outline

Category	General Training	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Influencer Relations Management is a strategic discipline that focuses on building, managing, and scaling authentic partnerships between brands and digital creators across platforms such as Instagram, TikTok, YouTube, and emerging creator ecosystems. In today's hyper-connected digital economy, influencer marketing has evolved from a promotional tactic into a core brand growth engine powered by creator economy dynamics, social proof, and algorithm-driven visibility. Influencer Relations Management Training Course equips learners with advanced skills in influencer discovery, relationship building, campaign negotiation, content co-creation, and performance analytics to drive measurable ROI and long-term brand equity.

As brands compete in an attention-driven marketplace, mastering influencer relations is essential for executing high-impact viral campaigns, UGC strategies, performance-based influencer marketing, and omnichannel brand storytelling. This course provides a structured framework to understand influencer tiers, leverage data-driven influencer selection tools, and build sustainable partnerships that align with brand voice, audience psychology, and platform algorithms. Learners will gain practical exposure to campaign lifecycle management, influencer CRM systems, contract negotiation, compliance standards, and social media trend forecasting.
