Inter-Agency M&E Collaboration Training Course

Professional Development Training Course Outline

Category	Monitoring and Evaluation	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

In today’s complex development and humanitarian landscape, Inter-Agency Monitoring & Evaluation (M&E) Collaboration has emerged as a critical approach for optimizing resource utilization, enhancing data quality, and driving evidence-based decision-making. Effective collaboration across agencies fosters synergy, transparency, and accountability, enabling organizations to harmonize M&E frameworks, share best practices, and collectively address programmatic challenges. Inter-Agency M&E Collaboration Training Course equips participants with advanced skills in multi-stakeholder coordination, integrated data systems, joint reporting, and collaborative learning, empowering agencies to deliver measurable impact and sustainable outcomes.

The course emphasizes practical, hands-on learning, combining case studies, interactive exercises, and real-world simulations to enhance participants’ ability to navigate complex inter-agency dynamics. By the end of the training, participants will possess the knowledge and tools to foster strategic partnerships, harmonize M&E processes, leverage digital collaboration platforms, and implement high-impact joint evaluations that inform policy and programming at scale.

Programme Curriculum

Inter-Agency M&E Collaboration Training Course

Introduction

In today’s complex development and humanitarian landscape, Inter-Agency Monitoring & Evaluation (M&E) Collaboration has emerged as a critical approach for optimizing resource utilization, enhancing data quality, and driving evidence-based decision-making. Effective collaboration across agencies fosters synergy, transparency, and accountability, enabling organizations to harmonize M&E frameworks, share best practices, and collectively address programmatic challenges. Inter-Agency M&E Collaboration Training Course equips participants with

advanced skills in multi-stakeholder coordination, integrated data systems, joint reporting, and collaborative learning, empowering agencies to deliver measurable impact and sustainable outcomes.

The course emphasizes practical, hands-on learning, combining case studies, interactive exercises, and real-world simulations to enhance participants' ability to navigate complex inter-agency dynamics. By the end of the training, participants will possess the knowledge and tools to foster strategic partnerships, harmonize M&E processes, leverage digital collaboration platforms, and implement high-impact joint evaluations that inform policy and programming at scale.

Course Duration

5 days

Course Objectives

By the end of this training, participants will be able to:

1. Understand the principles and benefits of inter-agency M&E collaboration.
2. Develop integrated M&E frameworks across multiple agencies.
3. Apply data-sharing protocols and governance standards.
4. Utilize digital collaboration tools for real-time M&E reporting.
5. Conduct joint evaluations and cross-agency assessments.
6. Implement stakeholder engagement strategies for collaborative decision-making.
7. Enhance accountability, transparency, and data integrity in joint M&E.
8. Design harmonized indicators and performance metrics.
9. Integrate learning and adaptive management approaches in multi-agency contexts.
10. Address ethical dilemmas and conflict resolution in collaborative M&E.
11. Leverage evidence-based insights for policy influence.
12. Build capacity for inter-agency knowledge sharing and communities of practice.
13. Monitor and evaluate the impact of collaboration on program outcomes.

Target Audience

- M&E officers in NGOs, UN agencies, and government ministries
- Program managers and coordinators in multi-agency projects
- Data analysis and reporting specialists
- Policy advisors and development consultants
- Donor representatives and program evaluators
- Humanitarian response coordinators
- Academic researchers in program evaluation
- Technical advisors supporting joint evaluations

Course Modules

Module 1: Foundations of Inter-Agency Collaboration

- Principles and benefits of joint M&E
- Structures and models for collaboration
- Legal and policy frameworks
- Cross-agency communication strategies
- Case study: UN-NGO joint monitoring of health programs

Module 2: Integrated M&E Frameworks

- Designing harmonized indicators
- Aligning agency objectives and KPIs
- Developing joint M&E plans
- Multi-level reporting structures
- Case study: Integrated education monitoring in East Africa

Module 3: Data Sharing and Governance

- Data management policies
- Confidentiality and ethical considerations
- Data quality standards
- Interoperability between systems
- Case study: Humanitarian data exchange platform

Module 4: Digital Collaboration Tools

- Cloud-based dashboards for multi-agency reporting
- Real-time data visualization
- Collaborative data analytics platforms
- Automation and workflow integration
- Case study: Joint COVID-19 response monitoring using digital tools

Module 5: Joint Evaluations and Assessments

- Planning and executing cross-agency evaluations
- Sampling and data collection harmonization
- Analysis of multi-source data
- Reporting and dissemination
- Case study: Cross-border nutrition program evaluation

Module 6: Stakeholder Engagement & Communication

- Identifying and mapping stakeholders
- Effective communication strategies
- Conflict resolution techniques
- Participatory monitoring approaches
- Case study: Multi-donor water sanitation project

Module 7: Learning & Adaptive Management

- Incorporating feedback loops
- Lessons learned documentation
- Adaptive decision-making in dynamic environments
- Capacity building for continuous improvement
- Case study: Adaptive M&E in climate resilience programs

Module 8: Ethics, Accountability & Impact Evaluation

- Ethical dilemmas in multi-agency collaboration
- Transparency and accountability frameworks

- Measuring collaborative impact
- Reporting to donors and policymakers
- Case study: Accountability assessment in joint refugee support initiatives

Training Methodology

This course employs a participatory and hands-on approach to ensure practical learning, including:

- Interactive lectures and presentations.
- Group discussions and brainstorming sessions.
- Hands-on exercises using real-world datasets.
- Role-playing and scenario-based simulations.
- Analysis of case studies to bridge theory and practice.
- Peer-to-peer learning and networking.
- Expert-led Q&A sessions.
- Continuous feedback and personalized guidance.

Certification

Upon successful completion of this training, participants will be issued with a globally- recognized certificate.

Tailor-Made Course

We also offer tailor-made courses based on your needs.

Key Notes

a. The participant must be conversant with English.

b. Upon completion of training the participant will be issued with an Authorized Training Certificate

c. Course duration is flexible and the contents can be modified to fit any number of days.

d. The course fee includes facilitation training materials, 2 coffee breaks, buffet lunch and A Certificate upon successful completion of Training.

e. One-year post-training support Consultation and Coaching provided after the course.

f. Payment should be done at least a week before commence of the training, to Fineskill Training Center account, as indicated in the invoice so as to enable us prepare better for you.

Upcoming Scheduled Sessions

Start Date	End Date	Location	Price
23 Nov 2026	27 Nov 2026	Online	$1,000

Start Date	End Date	Location	Price
23 Nov 2026	27 Nov 2026	Physical	$1,500
23 Nov 2026	27 Nov 2026	Physical	$3,000
