Mentoring Program Management Training Course

Professional Development Training Course Outline

Category	Human Resource Management	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Mentoring Program Management is a strategic capability that drives talent development, leadership acceleration, succession planning, employee engagement, and organizational performance. In today's competitive landscape shaped by digital transformation, hybrid work models, AI-driven HR analytics, and diversity, equity & inclusion (DEI) priorities, organizations require structured, scalable, and data-driven mentoring frameworks. Mentoring Program Management Training Course equips professionals with the tools to design, implement, monitor, and optimize high-impact mentoring programs aligned with business strategy and measurable ROI.

This comprehensive program integrates strategic workforce planning, competency mapping, performance management, learning experience design (LXD), change management, stakeholder engagement, and impact measurement dashboards. Participants will learn to build sustainable mentoring ecosystems using best practices, digital mentoring platforms, KPI-driven evaluation models, and continuous improvement frameworks. The course is ideal for organizations seeking to strengthen leadership pipelines, foster innovation culture, and enhance employee retention through structured mentoring excellence.

Programme Curriculum

Mentoring Program Management Training Course

Introduction

Mentoring Program Management is a strategic capability that drives talent development, leadership acceleration, succession planning, employee engagement, and organizational performance. In today's competitive landscape shaped by digital transformation, hybrid work models, AI-driven HR analytics, and diversity, equity & inclusion (DEI) priorities, organizations require structured, scalable, and data-driven mentoring frameworks. Mentoring Program Management Training Course equips professionals with the tools to

design, implement, monitor, and optimize high-impact mentoring programs aligned with business strategy and measurable ROI.

This comprehensive program integrates strategic workforce planning, competency mapping, performance management, learning experience design (LXD), change management, stakeholder engagement, and impact measurement dashboards. Participants will learn to build sustainable mentoring ecosystems using best practices, digital mentoring platforms, KPI-driven evaluation models, and continuous improvement frameworks. The course is ideal for organizations seeking to strengthen leadership pipelines, foster innovation culture, and enhance employee retention through structured mentoring excellence.
