

Social Media Public Relations (PR) Training Course

Professional Development Training Course Outline

Category	General Training	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's fast-evolving digital ecosystem, Social Media Public Relations (PR) has become a critical pillar for brand reputation, crisis management, and audience engagement. Organizations are no longer judged solely by traditional media presence but by their online visibility, sentiment analysis, influencer engagement, and real-time communication strategy across platforms such as Facebook, Instagram, LinkedIn, X (Twitter), TikTok, and YouTube. Social Media Public Relations (PR) Training Course equips participants with advanced skills in digital PR strategy, reputation management, content virality, media relations, and social listening tools to effectively shape and protect brand narratives in a highly competitive attention economy.

The course is designed to bridge the gap between traditional public relations and modern social media marketing ecosystems, enabling professionals to master brand storytelling, crisis communication, influencer collaborations, and data-driven PR campaigns. Participants will learn how to leverage AI-powered analytics, social listening dashboards, and engagement optimization techniques to build strong digital reputations, manage public perception, and drive measurable business impact. By the end of the program, learners will be capable of executing integrated social media PR strategies that enhance trust, credibility, and global brand authority.
