Training course on Competition Law and Antitrust

Professional Development Training Course Outline

Category	Legal Institute	**Duration**	10 Days
Base Fee	$3,000 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Training Course on Competition Law and Antitrust is designed to provide participants with a comprehensive understanding of the legal frameworks governing competition and antitrust issues in various jurisdictions. As businesses operate in increasingly competitive markets, understanding the intricacies of competition law is essential for legal professionals, corporate executives, and compliance officers. This course addresses key topics in antitrust regulations, market dominance, mergers, and competition policy, equipping participants with the knowledge to navigate complex legal landscapes effectively. Throughout this course, attendees will explore key concepts such as anti-competitive practices, regulatory compliance, and the role of competition authorities. The curriculum integrates theoretical knowledge with practical applications, featuring case studies, discussions, and hands-on exercises that allow participants to engage critically with the material. By the end of the training, participants will be well-prepared to manage competition law issues and develop strategies for compliance, ensuring fair competition in the marketplace.

Programme Curriculum

Training Course on Competition Law and Antitrust

Introduction

Training Course on Competition Law and Antitrust is designed to provide participants with a comprehensive understanding of the legal frameworks governing competition and antitrust issues in various jurisdictions. As businesses operate in increasingly competitive markets, understanding the intricacies of competition law is essential for legal professionals, corporate executives, and compliance officers. This course addresses key topics in antitrust regulations, market dominance, mergers, and competition policy, equipping participants with the knowledge to navigate complex legal landscapes effectively.

Throughout this course, attendees will explore key concepts such as anti-competitive practices, regulatory compliance, and the role of competition authorities. The curriculum integrates theoretical knowledge with

practical applications, featuring case studies, discussions, and hands-on exercises that allow participants to engage critically with the material. By the end of the training, participants will be well-prepared to manage competition law issues and develop strategies for compliance, ensuring fair competition in the marketplace.

- Understanding the role of international organizations (OECD, WTO).
- Evaluating compliance requirements for businesses.
- The implications of regional trade agreements on competition law.
- Case studies on cross-jurisdictional competition issues.

Module 3: Anti-Competitive Practices

- Overview of anti-competitive practices (price-fixing, collusion).
- Understanding abuse of market dominance and its implications.
- Evaluating the effects of exclusive agreements and tying arrangements.
- The role of predatory pricing in antitrust enforcement.
- Case studies on anti-competitive behavior.

Module 4: Merger Control and Regulatory Requirements

- Understanding the merger review process and its significance.
- Evaluating thresholds for merger notifications.
- The role of competition authorities in merger assessments.
- Analyzing remedies and conditions imposed on mergers.
- Case studies on significant merger approvals and rejections.

Module 5: Enforcement and the Role of Competition Authorities

- Overview of the powers of competition authorities.
- Understanding investigation processes and procedures.
- Evaluating penalties and sanctions for anti-competitive behavior.
- The role of whistleblowers in antitrust cases.
- Case studies on enforcement actions by competition authorities.

Module 6: Compliance Challenges in Competition Law

- Identifying common compliance challenges faced by businesses.
- Understanding the importance of internal compliance programs.
- Evaluating training and education for employees on competition law.
- Techniques for conducting compliance audits and assessments.
- Case studies on compliance failures and lessons learned.

Module 7: Market Analysis for Antitrust Assessments

- Overview of market definition and its importance in antitrust.
- Understanding competitive effects and market dynamics.
- Evaluating the role of economic analysis in antitrust cases.
- Techniques for conducting effective market studies.
- Case studies on market analysis in antitrust investigations.

Module 8: International Standards in Competition Law

- Examination of international competition law standards and practices.
- Understanding the harmonization of competition laws across jurisdictions.
- Evaluating the impact of globalization on antitrust enforcement.
- The role of international cooperation in competition policy.
- Case studies on international antitrust actions.

Module 9: Future Trends in Competition Law

- Discussing anticipated changes in competition law regulations.
- Evaluating the impact of digital markets on antitrust.
- Exploring the implications of big data and AI for competition policy.
- Understanding the role of public policy in shaping competition law.

- Case studies on innovative approaches to competition enforcement.

Module 10: Developing a Competition Compliance Strategy

- Techniques for creating a comprehensive competition compliance strategy.
- Setting goals and timelines for compliance initiatives.
- Engaging stakeholders in the development of compliance plans.
- Measuring success and adapting strategies over time.
- Presenting compliance strategies to organizational leaders for approval.

Module 11: Ethical Considerations in Competition Law

- Overview of ethical issues in competition law compliance.
- Understanding the importance of integrity in business practices.
- Evaluating the responsibilities of legal and compliance professionals.
- The role of ethics training in promoting competition compliance.
- Case studies on ethical dilemmas in antitrust cases.

Module 12: Evaluating the Effectiveness of Competition Policies

- Techniques for assessing the effectiveness of competition policies.
- Understanding key performance indicators for antitrust compliance.
- The importance of feedback and continuous improvement.
- Analyzing success metrics for competition initiatives.
- Case studies on effective evaluation strategies in competition law.

Training Methodology

- **Interactive Workshops:** Facilitated discussions, group exercises, and problem-solving activities.
- **Case Studies:** Real-world examples to illustrate successful community-based surveillance practices.
- **Role-Playing and Simulations:** Practice engaging communities in surveillance activities.
- **Expert Presentations:** Insights from experienced public health professionals and community leaders.
- **Group Projects:** Collaborative development of community surveillance plans.
- **Action Planning:** Development of personalized action plans for implementing community-based surveillance.
- **Digital Tools and Resources:** Utilization of online platforms for collaboration and learning.
- **Peer-to-Peer Learning:** Sharing experiences and insights on community engagement.
- **Post-Training Support:** Access to online forums, mentorship, and continued learning resources.
