Training course on Enhancing Leadership and Institutional Effectiveness

Professional Development Training Course Outline

Category	Leadership and Management	**Duration**	10 Days
Base Fee	$3,000 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Effective leadership is crucial for the success of any organization, particularly in today's complex and rapidly changing environment. Training Course on Enhancing Leadership and Institutional Effectiveness aims to provide participants with the tools and strategies necessary to strengthen leadership skills and improve institutional performance.

Participants will explore key concepts such as transformational leadership, strategic planning, and performance measurement. The course will emphasize the importance of aligning leadership practices with organizational goals and fostering a culture of accountability and continuous improvement. By understanding the dynamics of effective leadership, participants will be better equipped to drive positive change within their institutions. Through a blend of theoretical insights and practical applications, this course will empower participants to enhance their leadership capabilities and contribute to the overall effectiveness of their organizations.

Programme Curriculum

Enhancing Leadership and Institutional Effectiveness

Effective leadership is crucial for the success of any organization, particularly in today's complex and rapidly changing environment.
