Training course on Gender Mainstreaming and Inclusion for Legislatures

Professional Development Training Course Outline

Category	Gender Studies	**Duration**	10 Days
Base Fee	$3,000 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Gender mainstreaming and inclusion are essential for creating equitable and representative legislative processes. Training Course on Gender Mainstreaming and Inclusion for Legislatures aims to equip participants with the knowledge and skills necessary to promote gender equality and inclusivity within legislative frameworks.

Participants will explore key concepts such as gender analysis, policy formulation, and the role of legislatures in advancing gender equality. The course will emphasize the importance of stakeholder engagement and the integration of gender perspectives in all legislative activities. By understanding the dynamics of gender mainstreaming, participants will be better prepared to implement effective strategies that foster inclusive governance. Through a combination of theoretical insights and practical applications, this course will empower participants to enhance their legislative practices regarding gender equality.

Programme Curriculum

Gender Mainstreaming and Inclusion for Legislatures

Gender mainstreaming and inclusion are essential for creating equitable and representative legislative processes. Training Course on Gender Mainstreaming and Inclusion for Legislatures aims to equip participants with the knowledge and skills necessary to promote gender equality and inclusivity within legislative frameworks.

Participants will explore key concepts such as gender analysis, policy formulation, and the role of legislatures in advancing gender equality. The course will emphasize the importance of stakeholder

engagement and the integration of gender perspectives in all legislative activities. By understanding the dynamics of gender mainstreaming, participants will be better prepared to implement effective strategies that foster inclusive governance. Through a combination of theoretical insights and practical applications, this course will empower participants to enhance their legislative practices regarding gender equality.
