Training Course on Leadership in Education for Global Citizenship

Professional Development Training Course Outline

Category	Educational Leadership and Management	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

In today’s interconnected world, Leadership in Education for Global Citizenship is essential for shaping visionary leaders equipped to drive transformative change in education systems globally. Training Course on Leadership in Education for Global Citizenship empowers educators, policymakers, and institutional leaders with the strategic leadership skills necessary to foster inclusive, equitable, and sustainable education. Participants will master innovative leadership strategies, policy development, cultural intelligence, and digital education tools to prepare learners for active, responsible global citizenship in the 21st century.

The program emphasizes sustainable development goals (SDGs), social justice, global competence, and ethical leadership. Participants will gain critical insights into cross-cultural collaboration, diversity and inclusion, education policy reform, and technology integration in education leadership. Through interactive modules, case studies, and experiential learning, attendees will emerge as catalysts for global educational reform, championing transformative leadership in education for a better, more connected world.

Programme Curriculum

Training Course on Leadership in Education for Global Citizenship

Introduction

In today’s interconnected world, Leadership in Education for Global Citizenship is essential for shaping visionary leaders equipped to drive transformative change in education systems globally. Training Course on Leadership in Education for Global Citizenship empowers educators, policymakers, and institutional leaders with the strategic leadership skills necessary to foster inclusive, equitable, and sustainable education. Participants will master innovative leadership strategies, policy development, cultural intelligence, and digital education tools to prepare learners for active, responsible global citizenship in the 21st century.

The program emphasizes sustainable development goals (SDGs), social justice, global competence, and ethical leadership. Participants will gain critical insights into cross-cultural collaboration, diversity and inclusion, education policy reform, and technology integration in education leadership. Through interactive modules, case studies, and experiential learning, attendees will emerge as catalysts for global educational reform, championing transformative leadership in education for a better, more connected world.
