

Transformational Leadership for Shop Stewards Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s rapidly evolving industrial relations environment, shop stewards are expected to go beyond traditional representation roles and become transformational leaders who can influence workplace culture, strengthen employee engagement, manage conflict, and drive organizational productivity. The modern workplace is shaped by digital transformation, diversity and inclusion, emotional intelligence, labor law reforms, employee wellness, sustainability, and agile workforce management. This training course equips shop stewards with advanced leadership competencies, strategic negotiation skills, workplace communication techniques, and innovative problem-solving capabilities necessary for high-performance labor relations. Participants will gain practical knowledge on workplace transformation, stakeholder engagement, industrial harmony, change leadership, and ethical governance while enhancing their ability to represent workers professionally and effectively.

Transformational Leadership for Shop Stewards Training Course is designed to empower union representatives with future-focused leadership tools that align with global workplace trends and modern human capital practices. Through experiential learning, real-life case studies, simulations, role plays, and collaborative workshops, participants will develop competencies in conflict resolution, collective bargaining, emotional intelligence, digital communication, employee advocacy, occupational health and safety, and strategic labor relations management. The course emphasizes proactive leadership, resilience, innovation, inclusivity, workforce empowerment, and sustainable industrial relations to enable shop stewards to become influential change agents capable of fostering productive workplaces and organizational growth.
