UN Convention on the Law of the Sea (UNCLOS) and Migrants Training Course

Professional Development Training Course Outline

Category	Migration and Refugee	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

UN Convention on the Law of the Sea (UNCLOS) and Migrants Training Course is designed to provide participants with an in-depth understanding of maritime law and international migration frameworks. This course combines legal, policy, and practical perspectives to equip professionals with the knowledge to navigate complex maritime and migration issues effectively. Participants will explore the principles of UNCLOS, rights and obligations of coastal and landlocked states, maritime jurisdiction, and the legal framework governing migrants?ÇÖ protection and human rights. The course emphasizes the interconnectedness of maritime governance, environmental protection, and human migration policies in a globalized world.

This training course targets policymakers, legal practitioners, maritime professionals, and humanitarian workers seeking practical insights and real-world case studies. Through interactive learning, participants will engage in scenario-based exercises, legal analysis, and strategic problem-solving tailored to maritime disputes, migration crises, and international law enforcement. Emphasis will be placed on understanding emerging challenges, including climate-induced migration, territorial disputes, and compliance with international conventions. By the end of the course, participants will acquire actionable skills to influence policy, ensure compliance with international law, and improve organizational response strategies.
