

Union Representation in Mediation Sessions Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Effective union representation in mediation sessions has become a critical competency in today's rapidly evolving industrial relations landscape. Organizations across public and private sectors are increasingly prioritizing workplace conflict resolution, collective bargaining strategies, labor dispute management, employee advocacy, industrial harmony, negotiation leadership, alternative dispute resolution (ADR), and grievance handling mechanisms to maintain productivity and legal compliance. Union Representation in Mediation Sessions Training Course equips participants with advanced practical skills to represent workers professionally during mediation and conciliation processes while promoting sustainable workplace relationships.

The course integrates modern practices in employment law compliance, strategic negotiation, workplace mediation techniques, conflict prevention frameworks, stakeholder engagement, communication intelligence, emotional intelligence in negotiations, labor rights protection, industrial relations governance, and collaborative problem-solving. Participants will gain practical exposure through interactive simulations, role-playing exercises, and real-world case studies that strengthen their ability to manage complex labor disputes, improve employer-union collaboration, and achieve win-win mediation outcomes in dynamic organizational environments.

Union Representation in Mediation Sessions Training Course

Introduction

Effective union representation in mediation sessions has become a critical competency in today's rapidly evolving industrial relations landscape. Organizations across public and private sectors are increasingly prioritizing workplace conflict resolution, collective bargaining strategies, labor dispute management, employee

advocacy, industrial harmony, negotiation leadership, alternative dispute resolution (ADR), and grievance handling mechanisms to maintain productivity and legal compliance. Union Representation in Mediation Sessions Training Course equips participants with advanced practical skills to represent workers professionally during mediation and conciliation processes while promoting sustainable workplace relationships.

The course integrates modern practices in employment law compliance, strategic negotiation, workplace mediation techniques, conflict prevention frameworks, stakeholder engagement, communication intelligence, emotional intelligence in negotiations, labor rights protection, industrial relations governance, and collaborative problem-solving. Participants will gain practical exposure through interactive simulations, role-playing exercises, and real-world case studies that strengthen their ability to manage complex labor disputes, improve employer-union collaboration, and achieve win-win mediation outcomes in dynamic organizational environments.

Course Duration

5 days

Course Objectives

By the end of the training, participants will be able to:

1. Understand modern industrial relations management principles and mediation frameworks.
2. Apply advanced collective bargaining negotiation strategies during dispute resolution sessions.
3. Strengthen employee advocacy and labor rights protection competencies.
4. Utilize alternative dispute resolution (ADR) tools in workplace conflicts.
5. Develop effective grievance handling and conflict management systems.
6. Enhance communication intelligence and stakeholder engagement skills.
7. Build professional competence in employment law compliance and labor regulations.
8. Conduct strategic workplace mediation and conciliation sessions effectively.
9. Improve union leadership and negotiation influence during industrial disputes.
10. Apply emotional intelligence in labor negotiations for positive outcomes.
11. Promote workplace harmony, diversity, equity, and inclusion (DEI) in mediation.
12. Analyze modern trends in digital labor relations and workforce transformation.
13. Design sustainable conflict prevention and industrial peace-building strategies.

Target Audience

1. Trade Union Representatives
2. Shop Stewards and Union Delegates
3. Human Resource Managers
4. Employee Relations Officers
5. Labor and Industrial Relations Officers
6. Workplace Mediators and Conciliators
7. Legal and Compliance Officers
8. Government Labor Inspectors and Arbitration Personnel

Course Modules
